

## Ports of Call

There are three times on the General Synod agenda when members will have an opportunity to hear and discuss the work of the committees and councils of General Synod. The times are listed below along with a description of the Port of Call. At Synod you will be asked to sign up for one session on each day.

### **Sunday, June 6 – 10:30 -12:00 noon**

#### ***Anglican Council of Indigenous Peoples***

*Equal in Dignity and Rights:*

Why the UN Declaration on the Rights of Indigenous Peoples Matters to Everyone

Why attend a workshop on Indigenous rights?

1. To learn about the declaration and why it is important to both indigenous and non indigenous peoples
2. Deepen their understanding of how the Declaration in particular and human rights in general can be used to address the human rights gap between Indigenous and non-Indigenous people
3. Strategy to get Canada to endorse the Declaration
4. Support Indigenous peoples
5. Learn about KAIROS Indigenous Rights Network and what it's doing to build momentum towards the anniversary of Royal Commission of Aboriginal Peoples (June 2011).

#### ***Faith, Worship and Ministry***

*Liturgical Principles – Principles to guide liturgical revision*

The General Synod of 2007 mandated the Faith, Worship and Ministry Committee to develop principles and an agenda for the revision of the contemporary language liturgical texts of the Anglican Church of Canada. FWM has completed this work, and presents the Principles document to this General Synod. This session will engage participants in a practical exploration of several of the foundational principles contained in the document.

#### ***Partners in Mission EcoJustice***

##### **We're part of something bigger**

As Anglicans, when we put money on the collection plate, we not only help to fix the roof, pay the parish priest and support the diocese, we also become part of something bigger. We demonstrate our involvement in a worldwide Anglican Communion, the global Christian family, and our commitment to God's mission. **You are invited** to learn more about putting flesh to that involvement and commitment -- the work of the Partners in Mission and EcoJustice Committee.

#### ***Vision 2019***

Vision 2019. Meet some of the people who are behind this report. Ask questions about the background. Explore some details! Get responses to your questions.

### ***Youth Initiatives***

“Youth Initiatives – it’s not about what we do, it’s also about what YOU do. If you are involved in youth ministry, youth initiatives, or even If you care about young people in the life of the church, come for sharing, networking, stories, encouragement, news, information, a morning snack and opportunities to talk more about what you heard at the Youth Initiatives presentation the day before. “

**Monday, June 7 - 3:30 -5:00 p.m.**

### ***Council of General Synod***

The Council of General Synod is the chief governing body of the Church in years between meetings of the General Synod. It approves major documents such as annual budgets and receives reports from all the departments of General Synod. It is also empowered to launch important initiatives such as, in the past triennium, the Vision 2019 project. Come and learn about membership in the Council of General Synod.

### ***Roots Among the Rocks – Theatre Collective Port of Call***

*Roots Among the Rocks* is a group of young professional Anglican and Lutheran and other Christian artists who have set out to create a profound and moving performance that will speak prophetically to the heart of the church. General Synod is the first stop on our national tour, performing in plenary on the morning of June 8th. In this port of call, come and listen to how the story told in the show was found, and offer your own reflection to the emerging vision of self and future as church in Canada.

### ***Faith, Worship and Ministry (Congregational Development)***

Exploring the challenges and opportunities of mission in a Postmodern world

### ***Financial Management and Development***

#### ***Partners in Mission EcoJustice***

##### ***Greening Anglican Spaces***

The Partners in Mission and the EcoJustice of General Synod invites you to become *green* leaders in the Church through the renewal of spirit, community, and creation, and by taking practical steps to green your church building.

### ***Pension Committee***

### ***Primate’s World Relief and Development Fund***

Primate’s Fund will highlight its visiting partner Ms. Sooriyakumari Sinnathamby

Director of the Sri Lanka office of the Organization for Eelam Refugees and Rehabilitation (OfERR) and tell stories of its transforming work.

**Thursday, June 10 – 3:30 – 5:00 p.m.**

***Anglican Foundation***

We propose to offer a brief history and describe the governance of the Foundation and are prepared to answer questions regarding our operations, loans and grants, donor-designated trusts and our financial services. We also welcome any suggestions that might help us to improve our service to the Church.

***Communications and Information Resources***

The primary goal of the department is to strengthen the mission and vision of the Church through effective use of communications instruments. Communications and Information Resources staff are the story tellers and the story keepers of the Church, recognizing that experiences, both shared and diverse, are what bond us together across the country

***Faith Worship and Ministry***

***Congregational Development***

Exploring the challenges and opportunities of mission in a Postmodern world.

***Partners in Mission Eco-Justice***

This session will focus on the Truth and Reconciliation Commission which is on the agenda on Friday. In addition, you will have an opportunity to learn more about the Anglican Healing and Reconciliation Fund.

***Council of the North***

The Council of the North is a ministry of the whole church by the whole church. The Council of the North provides pastoral and sacramental ministry to those living in isolated communities across Canada's north.

The Council has recently been engaged in several exciting and innovative ministries. Area Missions are becoming a reality in a number of our dioceses. The Suicide Prevention Project which has come about because of the 'Amazing Grace' project and the generosity of Anglicans from coast to coast to coast. The Virtual Church School program has become a gift from the Council to the wider church. Many real people are engaged in the real work of sharing the gospel of Jesus in transforming ways in the church in the north.

If you are interested in learning more about the place of the Council of the North in General Synod then please join our Communications Officer, Fiona Brownlee, at our 'Port of Call' session.
