EXPLANATORY NOTE/BACKGROUND INFORMATION:

We, as the Church, are mandated to be signs and instruments of God's reconciling love in the world. We have a responsibility to incarnate our response to Jesus' summary of the law, 'to love God and our neighbour as self', to Jesus' example of being in right relationships, and to the question posed by the prophet Micah (6:8): "And what does the Lord require of you but to do justice, and love kindness, and walk humbly with your God?"

The work of the Partners in Mission & Ecojustice Committee is to help the Anglican Church of Canada understand and participate in God's mission in the world by:

- challenging attitudes and structures in church and society that cause injustice,
- building relationships among people and provinces within and beyond the Anglican Communion,
- modeling respectful inclusion and hospitality,
- fostering commitment to the integrity of God's creation.
- Ensuring that this mission is handed from generation to generation.

A rationale for the proposed mandate is part of the resolution to merge the two committees.
